Dear Dr. Ollé,

This is to acknowledge the generous gifts from ACTMON to support the work of Hôpital Albert Schweitzer Haiti (HAS). Since 1993, ACTMON has helped fund the work of the hospital in caring for patients with tuberculosis, and in the aftermath of the disastrous 2010 earthquake in Haiti that brought many patients to HAS for trauma care, ACTMON stepped up with a gift that helped the hospital address this extraordinary public health crisis.

On behalf of all of us at HAS, we are most grateful for the more than two decades of support from ACTMON – a valued partner in saving lives and improving the quality of life for the people of the Artibonite Valley in Haiti.

Sincerely,

Lenora Vesio
Director of Development
